DENIAL OF STATE ENGINEER

deny

This is to certify that I have examined the foregoing application, and do hereby ~~grant~~ the same, subject to the following limitations and conditions:

This application is denied and the protests upheld on the grounds that the granting of additional water rights for irrigation from the Oasis Valley ground water reservoir would conflict with existing rights and threaten to prove detrimental to the public welfare in this area where appropriations exceed estimates of recharge to the ground water reservoir.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed cubic feet per second

Actual construction work shall begin on or before

Proof of commencement of work shall be filed before

Work must be prosecuted with reasonable diligence and be completed on or before

Proof of completion of work shall be filed before

Application of water to beneficial use shall be made on or before

Proof of the application of water to beneficial use shall be filed on or before
